

FFL TRANSFER POLICY UPDATE

Before any transfer of a firearm from another FFL will be approved by 2A Gunsmithing and Firearms, the exact firearm being transferred must be reviewed for compliance with NYS laws. The transfer will be initiated only when compliance is confirmed by 2A G&F.

Failure to comply with this policy will result in forfeiture of the firearm by the purchaser.

The Firearm will be returned to sender at the purchaser's expense of \$50 (the original \$25 Transfer Fee + return shipping + penalty fee).

2A Gunsmithing and Firearms reserves the right to refuse to do any future business with any individual who fails to comply with the above outlined policies.
